

3D PORTRAIT

Call us @ 9225 3802 (BWC) / 8222 8870 (AMK)

Good for students age 9 – 12 (or older) 1 facilitator to 5-6 students

Create 3-dimensional portrait that last forever. These 2 days hands on workshop give students a new perspective on the use of clay and colours to create portrait that 'Pops-out'.

At the end of this program, students may improve on their perspective and how they look at art as well as the things around them.
